# STUDIO FLOOR

## JUNCKERS WINNING SPORTS FLOOR SOLUTIONS

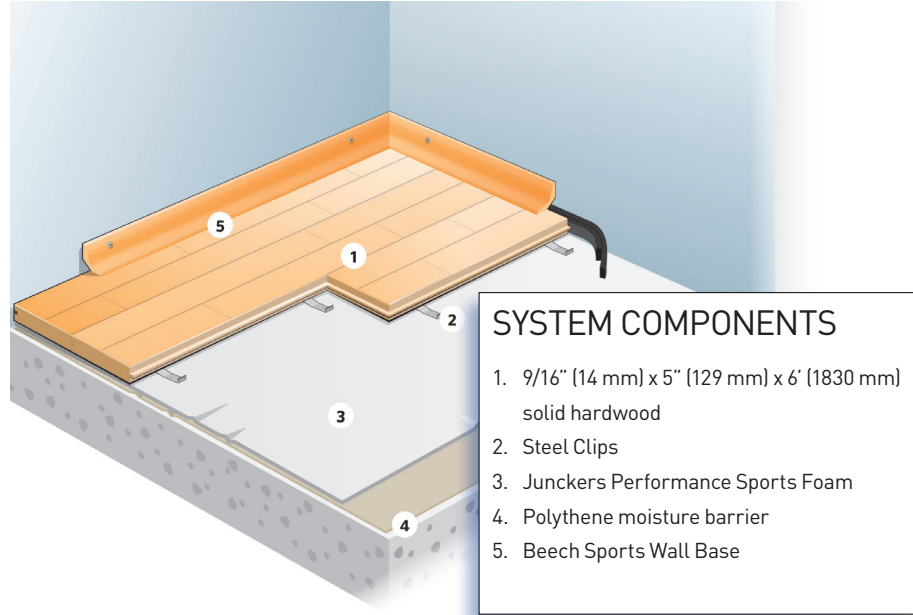

The Studio Floor delivers DIN and EN tested safety and performance.

Ideal for renovation projects as the 3/4" floor height allows for easy transitions to adjacent floors.

Creativity and expression are now possible in performance sport flooring. Junckers Studio Floor is available in a wide variety of colors, species and finishes.

Junckers prefinished solid hardwood planks are designed for fast, clean and easy installation. Most Studio Floor projects are completely installed and ready for use in just a day or two, with minimal disruption to ongoing business.

The Studio Floor is an ideal, low profile, sports floor system for health clubs, dance studios, Pilates, martial arts, yoga, & Group X areas.
